

# How do I write my word in Binary?

1st

Write your word  
on the other side  
of the card

2nd

Write each letter number  
for your word.  
A is 1 and Z is 26.

3rd

Figure out how many  
16s, 8s, 4s, 2s and 1s  
each letter has

# What is Binary?

Binary numbers are just like  
regular numbers, except instead  
of using digits 0 through 9,  
they only use 0 and 1.

Letter in Binary

# Hello Binary

Computers don't think and talk like us  
Instead of English they talk Binary

Write a word in Binary  
Talk like a computer  
See if it understands
